2010 CANADA-U.S.
CROSS BORDER INTEROPERABLE
COMMUNICATIONS WORKSHOP

Canada - U.S. Cross Border Interoperable Communications Workshop

September 13-15 2010

Windsor, ON

Co-hosted by Public Safety Canada (PS) and the U.S. Department of Homeland Security's Office of Emergency Communications (OEC)

Purpose

This event will bring together a broad base of users and officials from all levels of government from both nations with an interest in cross border communications along the Canada-U.S. border. Through topic based panels and interactive breakout sessions, the workshop aims to help users and officials to develop a common understanding of, and a unified approach to, Canadian-U.S. cross border interoperability challenges. During the workshop, participants will have the opportunity to update on their progress on commitments from last year, provide direct input to senior Canadian and U.S. government officials regarding future action plans to address those cross border interoperability challenges identified in the breakout sessions.

Target Audience

Interoperability leaders and users from:

- Emergency Response Agencies (law enforcement, fire, emergency medical services, emergency managers)
- Other Public Safety Providers (federal, state/provincial, and local/municipal)
- Military and Coast Guard
- Government Agencies and Utilities
