<b>National Firearms Policing Strategy.....</b>	<b>3</b>

**NATIONAL FIREARMS POLICING STRATEGY**

*Submitted by the CACP Special Purpose Subcommittee on Firearms*

**WHEREAS** the Canadian Association of Chiefs of Police (CACP) remain committed to community and officer safety; and,

**WHEREAS** the impacts of firearms and firearms related incidents are experienced and dealt with at the national, provincial and local community level; and,

**WHEREAS** the sharing of operational information and best practices between all police and public safety organizations, culminating in the development of consistent national standards, are necessary for effective response to firearms and firearms related incidents; and,

**WHEREAS** the effective implementation of consistent national standards can only be accomplished through a national firearms policing strategy which is accessible to all police and approved public safety organizations; and,

**WHEREAS** the CACP Special Purpose Subcommittee on Firearms is mandated to harmonize the work of the Canadian Law Enforcement Community to promote the sharing of operational information and best practices through the development of a national firearms policing strategy to address firearms and firearms related incidents.

**THEREFORE BE IT RESOLVED** that the Canadian Association of Chiefs of Police urges its members to adopt the National Firearms Policing Strategy as a foundation and guiding document enabling the Law Enforcement Community's ability to enhance community and officer safety.

**NATIONAL FIREARMS POLICING STRATEGY**  
*Submitted by the CACP Special Purpose Subcommittee on Firearms*

**Commentary:**

Municipal, provincial and federal law enforcement all play critical and complementary roles in dealing with firearms and firearms related incidents from community engagement to prevention, detection, interdiction, crisis management, response, consequence management, and criminal investigations.

The CACP Special Purpose Subcommittee on Firearms of the Canadian Association of Chiefs of Police (CACP) is mandated to harmonize the work of the Canadian law enforcement community in identifying and developing national standards in addressing firearms and firearms related incidents in the interest of community and officer safety.
